

# FMATS Transportation Improvement Program Non-Motorized Project Nomination Form

Project nominations are accepted from the public and are scored based on the adopted Project Scoring Criteria. These criteria assign weight based on the project's impact on the following:

1. Health and Quality of Life
2. Safety Improvements
3. Public Support
4. Road Maintenance and Condition
5. Other Considerations (Economic Development, Security, Utility Conflict Resolution, etc.)

The score the project receives will be used to determine the project's eligibility for funding in the Transportation Improvement Program, or TIP. The TIP identifies, prioritizes and allocates anticipated funding for transportation improvements over a 4 year period.
